volimania.org - Rendy Licardo (foto) dan Mohammad Ashfiya dari Indonesia meraih kemenangan di kompetisi voli pantai FIVB U21 Kejuaraan Asia, di Portugal.

Setiap sebelum dan sesudah pertandingan Rendy Licardo dan Mohammad Ashfiya selalu melompat-lompat seperti sekelompok prajurit Masai.

Namun tidak seperti prajurit Masai, kedua laki-laki asal Indonesia itu tidak ingin mengesankan lawan mereka, tetapi hanya ingin meningkatkan kemampuan mereka melompat.

"Kami hanya anak-anak kecil dari Indonesia. Orang-orang di Indonesia tidak terlalu tinggi. Kami melompat setiap hari, sehingga kita bisa memainkan permainan yang baik melawan yang lebih tinggi," ujar Licardo pemain berumur 16 tahun.

Licardo dan Ashfiya yang berusia 17 tahun memenangkan Kejuaraan U21 Asia pada bulan Mei yang lalu di India dengan mengalahkan Kazakhstan di final.

Kejuaraan Dunia FIVB U19 di Porto adalah event pertama mereka di kejuaraan dunia, tetapi mereka membuat awal yang mengesankan yaitu menang dengan mudah 2-0 (21-14 21-15) atas Liam Matheson dan Brad Fullerton dari Selandia Baru pada hari Kamis kemarin.

"Kami senang, kami memainkan pertandingan yang baik, tidak ada kesalahan," kata Licardo.

Mereka belajar bermain voli pantai di sekolah dan berlatih di pusat voli pantai nasional di Sidoarjo Jawa Timur.

Mereka melakukan perjalanan 24 jam untuk sampai ke Portugal, negara yang mereka hanya tahu dari sepakbola. "Cinta Portugal, cinta Ronaldo," kata Licardo.

Target utama mereka tahun ini adalah untuk lolos ke Youth Olympic Games di China tahun depan. "Mereka berada di sini di Porto untuk mendapatkan pengalaman", kata pelatih mereka. "Tapi sebenarnya saya berharap mereka bermain hingga ke final."
